All fish caught prior to cancellation will be eligible for the competition.

Cancellation will only apply until the Gale warning has been lifted.

A declaration of a Gale Warning by the appropriate government weather authority will automatically require cancellation of the tournament. In the event of a declaration whilst vessels are at sea, such vessels are required to cease fishing immediately and return to port. The tournament committee accepts no responsibility for decisions made by individuals whether to put to seas or not, having regard to the committee's decision on the tournament day. The ultimate decision on returning to port remains with the competitors.

12. LEAVING PORT

On Saturday 14th March 2026 boats may leave from their home port but CANNOT commence burleying, trolling or fishing before Game Fish Base announces the official start of fishing at
